

Grooved Solid Deck Boards – Coastal Range (US54)

Solid – Coastal Range

Introducing the new Coastal Range wide board with a deep texture giving the boards a weathered look and high P5 slip rating.

Perfect for pool surrounds and stylish commercial and residential projects.

Stocked Colours

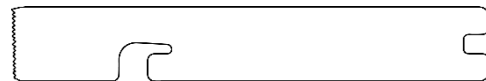

Beech Antique Aged Wood

The Grooved Solid boards (US54) utilise the hidden fastener system and are finished with the US33 square/grooved edged profile.

Solid (Coastal) deck joist span is 400mm max.
